Translation

1. Translate the following passage into German:

I go to a grammar school in Freiburg in my town. In my opinion the teachers are good here, and the atmosphere is friendly. Last week we had exams and unfortunately I had to revise in my free time, which was not very fun. Luckily I received good grades. In summer I will do work experience in a hospital, because in the future I would like to become a doctor. However if I could, I would be a footballer, as I would like to be rich and play football all day!
