Queries and Complaints

Any comments or queries on this policy should be directed to the Privacy and Compliance Officer using the contact us link below.

If an individual believes that the School has not complied with this policy or acted otherwise than in accordance with Data Protection Law, they should utilise the School complaints / grievance procedure and should also notify the Privacy and Compliance Officer. The School can also make a referral to or lodge a complaint with the Information Commissioner's Office (ICO), although the ICO recommends that steps are taken to resolve the matter with the School before involving the regulator.
