Wellbeing Weekly 7

Friday 15 May 2020

Dear all,

If you are yet to read Charlie Mackesy's wonderful book - *The Boy, the Mole, the Fox and the Horse* - I urge you to order a copy, and read it, now... I cannot recommend any book more highly.

Waterstone's heralded it their book of the year, 2019, noting:

*"A book to bring people together, Charlie Mackesy's inspirational paintings and delicate calligraphic text are a celebration of kindness, compassion and understanding, conveying an essential message for our time."*

#### And finally....a few more comments from parents: ☺

- I think you are all doing such a fantastic job of engaging, teaching and listening. XXXX actually feels as though she is learning a lot, has spoken very highly of the teachers and the time being taken. She is living her dream of being able to learn whilst popping out and riding a pony in the afternoons! No issue with physical exercise here. She even sat and read a book for pleasure tonight - wonders will never cease!
- *Congratulations to the Haileybury teachers and staff for pulling this together! Fantastic job and the kids are really embracing it! Please pass on my thanks to your colleagues.*

Thank you!

Laura
