

Job Description

Job Title:	Summer School Senior Activity Leader (Residential)
Department:	Summer School
Responsible to:	Summer School Activity Manager
Last reviewed:	September 2022

Job Outline

In 2022, Haileybury delivered its first International Summer School and we are building on this success in 2023. The programme has an academic focus and it is aimed at international students aged 11-17 with varying levels of English. The different courses include an impressive range of activities and some exciting excursions to top-end destinations.

As a member of the Senior Management Team of the Summer School, you will be required to lead and manage a team of activity leaders, and deliver an innovative and top-quality activity programme. You will liaise with school staff and external suppliers and support the activity team with the design and delivery of an engaging, creative activity and excursion programme.

You will help to lead and manage a professional development programme and ensure all activity administration is completed to a high standard. All learners will use an activity journal to maximise learning opportunities.

The nature of a 24 hour a day, 7 days per week summer school requires staff to work flexibly. The work is intense, days are long and whether on or off duty, staff are expected to put the needs of the pupils and the reputation of the school first. However, it is extremely rewarding and enables staff to develop their knowledge and skills in a vibrant, energetic workplace. You will work a 6-day week and be asked to sign a 48-hour waiver.
