Haileybury offers a limited bus service to pupils. Using our own fleet of Ford Transit minibuses, we operate bus runs from Monday to Saturday arriving at School for 8.10 am each morning and departing at 6.35 pm each evening from Monday to Friday. All of our drivers are enhanced DBS checked.

Pupil transport application form

Please complete the form at [\[link\]](#) if you would like to book your child on to one of our School minibus routes.

If you have more than one child to book for we ask that you complete the form again for each child.

Cost

Charges for the bus service are made termly in arrears with the cost being added to the pupil's bill. Cancellation of the use of the service requires a term's notice.

Airport transfer and unaccompanied minors

Haileybury offers airport transfers at the beginning and end of each half term.

At the end of each term, a coach is organised that will drop pupils off at Heathrow and will stop at each of the terminal drop-off points. The cost of this service is currently £50 but is dependent on uptake and added to the school fees in arrears.

At the beginning of each term our minibuses collect pupils directly from various airports. These airports and the current cost for these transfers are: Heathrow £60, Stansted £30, Gatwick £100, London City £50 and Luton £30.

The transport service is generally offered on a whole-week basis only, but there may be opportunities for a more flexible approach – please discuss with the Transport Coordinator.

There is a high level of demand for our bus services so please contact the Transport Coordinator on 01992 706 378 or email transport@haileybury.com to enquire about spaces on your preferred route, or if you need further information.

If your area is not currently served by our network please get in touch as we are continually evaluating new routes.
