Sports Fellow
(from August 2024)

Haileybury is a leading co-educational independent boarding and day school in Hertfordshire with around 900 pupils, aged 11 to 18. Founded in 1862, Haileybury is a school that is rooted in history and tradition, but which is innovative and progressive.

Haileybury has an outstanding reputation in the UK and internationally and was judged “*excellent in all areas*” by ISI in October 2022.

Situated on a beautiful 500-acre estate within easy travelling distance from London, Cambridge and various international airports, Haileybury offers a world of opportunity for pupils within a happy and purposeful community.

Haileybury is an **academically selective** school that creates learners who are ambitious, intellectually curious, imaginative and collaborative. Inspectors described pupils as “happy learners who appreciate the value of the broad education they receive and who enjoy the process of learning”.

We have a comprehensive system of **pastoral care and wellbeing**. Our House structure is led by an outstanding wellbeing team and Haileybury has onsite Health and Wellbeing Centres including a Counselling Service available to pupils and staff.

The **extensive co-curricular offering** at Haileybury provides a breadth of opportunity, and depth in terms of specialist provision. Pupils enjoy both individual and team successes at national and international level in sport, as well as achieving national awards in the performing arts. Through experiencing the co-curricular programme our pupils develop character, resilience and self-confidence.

Haileybury is **ambitious and thought leading**. For example, our new state-of-the-art SciTech Project includes laboratories that will house our research collaboration with professors from Stanford University allowing pupils to take part in real-life scientific endeavour.

We place great emphasis on playing our part in **the wider community**. The School has a vibrant and inclusive Chaplaincy and community outreach programmes support the School’s central value of service to others.

Haileybury has a strong **international dimension**, with two partner schools well established in Kazakhstan and further schools due to open in Bangladesh and Malta. Haileybury also proudly sponsors our academy partner, Haileybury Turnford, in the UK.

Our goal is for pupils to leave Haileybury with **a passion for learning, a strong sense of their own identity and respect for others**.
