HIEDA

The Health in Education Association (HIEDA)

champions health and wellbeing excellence in education and the workplace. Hieda represents schools, companies, associations, agencies, individuals and other stakeholders involved in health and wellbeing in the UK and overseas.

HIEDA is part of the BSA Group. BSA Group's mission is to support excellence in boarding, safeguarding, inclusion and health education. We deliver services for more than 1,600 organisations and individuals in 40 countries worldwide.
