

Teacher of Theology & Philosophy

September 2026

Welcome

Thank you for your interest in Haileybury. This is an exciting opportunity to join a highly successful school which is moving forward with confidence and a real sense of purpose. Haileybury was last year chosen as the 'Boarding School of the Year' by TES and, in 2023, was announced as the UK's best fully co-educational IB school.

Haileybury is a dynamic, outward-looking and future oriented school. We want our pupils to leave school with the values, skills and credentials they will need to thrive. We want our provision to be 21st Century relevant. We have recently completed a world class STEM facility, which allows our pupils to take part in research projects no other UK school can offer, and only a handful of other schools around the world can provide. Our attention is now turning to our next set of ambitious ventures.

We are ambitious and we pursue excellence, but Haileybury's success is built on the strength of each person's commitment to doing the very best they can for our school. If you feel excited by the prospect of being a member of a dynamic and successful team, then we would welcome your application.

The School

Haileybury is a co-educational boarding and day school for pupils aged 11-18. There are currently over 900 pupils at the School. Demand for places and pupil numbers has increased dramatically in recent years.

The Haileybury of today enjoys an excellent worldwide and national reputation. This reputation is primarily based on the very high standard of education that is provided at the School. This was reflected in the report written by the ISI Inspection team who visited the School in October 2025. The report gives a clear picture of a progressive, ambitious school which offers its pupils the very best all-round education. A copy of the report can be viewed [here](#).

Haileybury is a dynamic, outward-looking and future-oriented school. It aims to provide high academic achievement, outstanding pastoral care and a rich and varied co-curricular programme; we want our pupils to leave school as confident, rounded and ambitious individuals. As a large, diverse community, the fundamental values of service, empathy and respect are essential. Pupil voice is important and there are many opportunities for pupils to express their opinions, including an active Pupil Senate. The team of teaching and operations staff are dedicated and highly professional.

Haileybury comprises a dedicated Lower School (Years 7 and 8), a Middle School for Years 9-11 and a Sixth Form of around 360 pupils. All senior pupils are boarders or day pupils in one of the 12 senior Houses. There is also a junior boarding House and a junior day House. The Houses are set within the extensive campus grounds, and most of the teachers are also accommodated within 5 minutes walk of the School. The sense of community at the School is especially strong.

Haileybury has a vibrant academic culture. Its curriculum model is distinct and in the Sixth Form pupils have the choice of following the International Baccalaureate Diploma Programme (IBDP) or A levels. The most popular UK university destinations include Oxbridge and the Russell Group; Haileybury's pupils also achieve places at top North American and European universities.

Haileybury has a strong international dimension with two partner schools operating in Kazakhstan, and one each in Bangladesh and Malta. Haileybury is the sponsor of Haileybury Turnford, a nearby academy, and enjoys a well-established partnership with the school.

Role & Person Specification

An exciting opportunity has arisen for a talented and passionate teacher to join the T&P Department at Haileybury as Teacher of Theology & Philosophy.

At Haileybury, we firmly believe that T&P allows you to explore the most fundamental and fascinating questions of human existence. Through studying this subject pupils learn about the great philosophers and theologians from the ancient world up to the 21st century and are given the tools to form their own views, critically evaluate the views of others, and engage in debate and discussion with their peers.

As well as exploring world religions and their origins, pupils engage with a wide array of interesting ethical and existential ideas. This develops their views on the world and themselves, as well as providing them with valuable analysis and evaluation skills.

We are seeking a dedicated and enthusiastic teacher to inspire and challenge pupils. This role is suitable for either an Early Career Teacher (ECT) seeking a supportive and dynamic environment for their first position, or an experienced educator looking for a new challenge in an academically stimulating setting.

Theology and Philosophy is a compulsory subject from Lower School to Removes (Y7-9). In Middles and Fifths (Y10-11), it is an optional subject with an examination in IGCSE Religious Studies at the end of Fifths. In Sixth Form, pupils can either study the Religious Studies A Level course or Philosophy as part of the International Baccalaureate Diploma. As a guide for subject specialism, the IGCSE involves the Christianity option for Paper 2 and A Level also involves the Christianity option.

Beyond the curriculum, Haileybury runs an exciting and popular trip to Florence and Rome where pupils can explore the rich history, philosophy, and theology of these cities. Lower School pupils take part in trips where they visit a church, a gurdwara, and a mosque to learn about the core practices of these places of worship and the way of life in these religious communities.

The Haileybury Woolzley Society is our popular philosophy debating group run by Upper Sixth pupils. The topics are very much guided by pupils' interests and involve lively debate and discussion. In addition, we have recently launched a lunchtime discussion forum - The Agora - which is pupil-led and currently run by Removes pupils, with recent discussions ranging from 'The Ethics of the Trolley Problem' to 'Is Eating Meat Morally Wrong?'

The successful applicant will be educated to a degree level in a relevant subject and will be confident in their ability to deliver Sixth Form content; previous experience of teaching A level and/or the IB Diploma programme is desirable but not essential. They will have an interest in fostering lifelong learning in our pupils and the ability to stretch pupils beyond the curriculum.
