## LIFE IN

# HAILEYBURY

BROUGHT TO YOU BY THE INTERNATIONAL COMMITTEE

In the second week of first term there is the annual speed dating event where you get the chance to meet other international students.

We celebrate: festivals (Chinese New Year, Diwali, Holi etc.) Independence days and nights are organised by the intl. committee in which you can meet other people from your country.

The International Committee meets every Monday above Grubber to discuss and plan events that ensure internationals in Haileybury feel comfortable.

We have 44 nationalities represented with the largest contingents after British being Italian, German, Russian, Chinese and Malaysian. International people make up 26% of all students, with most in 6<sup>th</sup> Form.

If you would like any festivals to be celebrated you can talk to your intl. reps in-house or contact the International College prefects.
